

# Year 4

*Varjak drama*

*We had a great PE afternoon this week and the children looked fantastic in their Southdale PE tops. Super smart! With the start of a new year comes a new timetable. So, we will now have PE on a Monday. Please ensure your child has indoor and outdoor kit.*

## Welcome to Year 4 and a brand new school year.

As our narrative, we have been immersed into the feline world of Varjak Paw and his family. We, the masters of Thai Chi, have been deciding whether or not we are happy to take in this new kitten in and teach him the 'Way of Jalal'. We have as a council now decided we will and have subsequently written letters to persuade him to leave the confines of the Contessa's house.

We also had a visit from a Grandmaster of Thai Chi who taught us some of the challenging positions.

We have been sketching in art and have been looking at proportions whilst sketching the other half of a cat's face with some excellent pieces created.

In maths, we have started to learn about Roman numerals. Maybe over the weekend, you could see if you can spot any Roman numerals with your child. Hopefully, they will be able to tell you what the numbers are!

*On a Friday, every class will be having African drumming so don't be surprised if they start to drum around the house!*
