## Christmas Extravaganza!

The Christmas fair was a joy to behold! Christmas music lingered in the air while children enjoyed playing games, eating delicious delights and spending time together. If anything was going to get us into the Christmas spirit, this was it!

The money raised will go towards school funds and we will let you know the total once we have it. As always, our Christian values were visible in bucket loads from our children and families - it melted our hearts to see children show such kindness and generosity to others. Thank you!

# YEAR 3

## The Discovery of Otzi

In **English**, we have been learning about how newspaper reports are structured; what techniques are used to grab the readers' attention and how information is quickly and clearly delivered. We will then use these techniques to write our own news report about the discovery of Otzi, a 5,000-year-old Neolithic man.

In **art**, we have been experimenting with charcoal in preparation for our final piece. We have practised the sketching techniques of smudging, stippling, back and forth shading and scumbling. This has helped us understand the tone, texture, shape and depth that can be created using this particular medium.

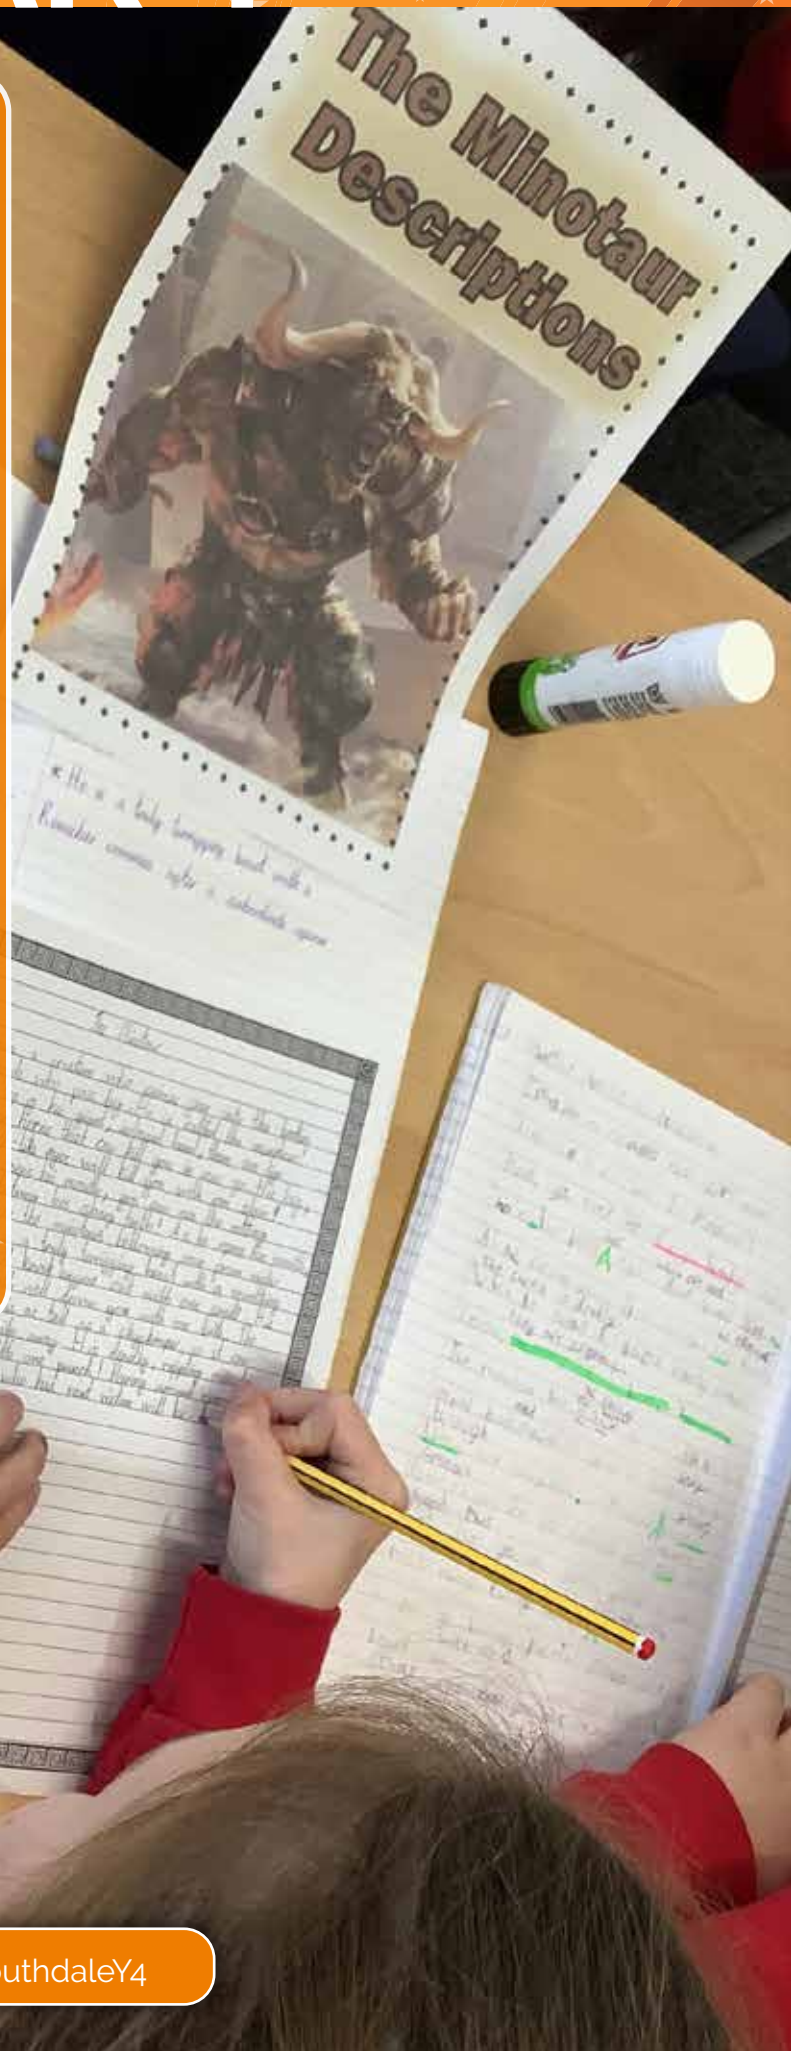

# YEAR 4

## History and Computing!

This week, we have been working on creating an E-book all about the Gods and Goddesses. We are including interesting facts about the Gods and reasons why the Greeks worshipped them. The children have enjoyed solving the mystery of why they suddenly stopped worshipping them!

In **English**, we have certainly brought the Minotaur to life by writing some amazing descriptions.

# YEAR 5

## Getting Creative!

Year 5 have been inspired by the artist Fridensriech Hundertwasser. We have expressed ourselves by creating a mood board to summarise his life achievements and his artwork. We have recreated images; given our opinions on the artwork and applied his use of organic shapes to our own artwork. Using this, Year 5 will create their own interpretation of his work in a style you will 'Neverbelieve'.

# YEAR 6

## Hands on History!

On Tuesday, we had a very special visit from Histronics and were treated to a real W/WII experience. We loved learning about D-Day from real life accounts – they truly were extraordinary stories from ordinary people. We looked at W/WII artefacts and reenacted a story with a sentimental twist!

To follow up on this experience, we spent Wednesday morning in church. We reflected on the impact of W/WII and the lessons that we can learn from it.

We are extremely proud of the maturity, depth of thinking and engagement that our year 6 children have shown!

# THIS WEEK'S HOMEWORK

## Year 3

### Reading:

Please help your child to develop their fluency and love of reading by spending 20 minutes each day listening to and reading to your child.

### Maths:

We have just started to learn the formal subtraction method. If you have time, please help your child to master this strategy.

### History:

In history, we have been learning about the Neolithic settlement of Skara Brae. Ask your child to tell you where it is, what was unique about it and what historians and archeologists discovered.

## Year 4

### Reading:

This is so important! Please continue to read with your child at home and ensure that they are reading for at least 20 minutes a day. We can really see the difference this is making for our children who are reading daily! We have plenty of fiction and non-fiction books linked to our narrative..

### Maths:

Please support your child by encouraging them to practise their times tables using the app TT Rock Stars and complete their weekly My Maths homework. We are working on the 7 timestable so please focus on this.

### Spelling:

We are working on adding the prefix **inter** to words. Inter means among or between.

**Internet, intercity, international.**

### History:

In history we will be finding out about Alexander the Great and the impact he had on invasion.

# THIS WEEK'S HOMEWORK

## Year 5

### Reading:

Reading is to the mind, what exercise is to the body. We cannot stress how vitally important reading for at least 20 minutes is.

### Maths:

Please complete the mixed number and improper fraction questions. Due back 5.12.23.

### Spelling pattern this week:

Adjectives spelt -e,-n,-t 'unt'

**frequent**

**ancient**

**confident**

**patient**

**dependent**

**magnificent**

## Year 6

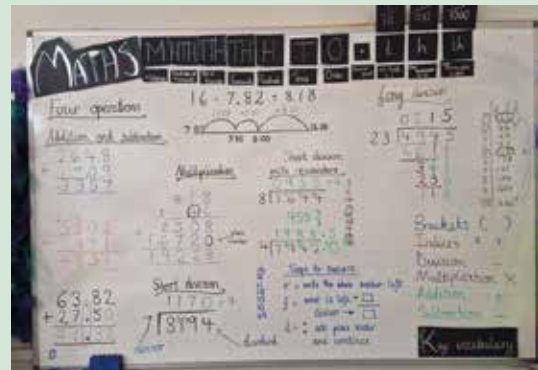

### Reading:

This is so important! Please continue to read with your child at home and ensure that they are reading for at least 20 minutes a day and make a note of how many pages in the planner.

### Maths:

Please complete page 23 in the CGP book. It is linked to multiples and factors which we have been learning about. This will be due back on the 07.12.2023.

Everyone now has this photo in their planners. You can use this to revise from and support with any homework.

### Spelling pattern this week:

Please practise the spelling pattern 'silent letters'.

**G**nome, **g**naw, **k**night, **w**histle, **a**utumn, **g**uessing, **k**nowledge, **r**ustled, **s**ubtle

### History:

We have focused on the role and legacy of women in ww2 this week. Please use your knowledge organiser to quiz your child on this.
